The MICHELIN guide celebrates 5 years of expert recommendations!
慶祝米芝蓮指南邁進五週年，繼續為你呈獻更多美食推介!

中英對照版
A very good value hotel with a distinct difference...it is run by the Institute for Tourism Studies, so you will be welcomed at the reception desk by students learning their trade. The hotel benefits from being in a very peaceful position, away from the casinos and surrounded by a lovely garden. Its bedrooms may not be especially big but they are quiet and come with some nice Asian touches. Macanese cuisine is served in the restaurant.
